

English Club BULLETIN

Dear parents,

During the English Club, we'll be teaching children in two or three separate groups, depending on their age and level.

- The **Lions** will be discovering English through songs, games and manual activities.

- The **Tigers** will be developing their vocabulary by learning songs, playing games and partaking in craft activities.

- The **Lynxes** will learn how to use sentences and will enrich their vocabulary. They will challenge their speaking and listening skills through various activities.

Until the Spring holidays, the children will be learning about the following topics:

- On **Mondays**, they will learn about Music
- On **Tuesdays**, they will study Native Americans
- On **Thursdays**, they will discover the world of Comics
